WHAT WE DO?

We are Eastrade International. We specialise in distributing technology and electronic products throughout Australia. Our products mainly include Mobile Accessories, Phone Chargers, Power Banks, Adaptors and Travel Adapters.

Our vision is the commitment providing QUALITY and AFFORDABLE electronic products in Australia.

YOUR CONFIDENCE WITH US

We know we are dealing with electricity, therefore it is absolutely vital for us to be STRICT with Australian Standards and other necessary Certificates.

For your Protection, all our products are COVERED with \$10Mil Insurance.

With careful quality assurance, we aim to minimise Returns from customers as much as possible to protect the reputation of us and ultimately our customers.

On top of that, all our products have at least 2 Years Warranty, so no worries on faulty products.

RANGE and TECHNOLOGY

We LOVE Technology! Technology Evolves Rapidly. Dependant on Customer Feedbacks and current Trends, it is our challenge to keep range growing and updated. It is our duty to understand the current market to make sure you get the best Benefits.

THANK YOU FOR YOUR INTEREST AND WE HOPE YOU LOVE OUR RANGE OF PRODUCTS!
